

## Información del proyecto

Sønderborg International School and CRA Alta Ribagorza, have started to work jointly in a common Erasmus+ project.

Through this eTwinning project, we want to start knowing each other from the 4Th grade up to the 6th grade at Primary school.

### **OBJETIVOS**

To build a relationship between schools, to develop an Erasmus + project together.

To develop a collaborative way of working between the two groups (Danish and Spanish children/teachers).

To know each other, our realities, villages, towns, etc.

To Improve their communication skills.

### **PROCESO DE TRABAJO**

Plan:

November: Introductions.

December: Christmas traditions and exchange of christmas cards.

January: Our villages and towns.

February: Seasons of the year in our countries.

March: Traditions.

April: Sports.

May: Our plans for the summer.

### **RESULTADOS ESPERADOS**

Learning about the reality of the schools, and the beginning of the Erasmus + project. The final goal would be the exchange of teachers and students, working together in a collaborative way, getting ideas and sharing experiences of the working methods, and watching the daily reality of our partners.
